

Major Questions from Investors (April 2022)

1. How does the Company achieve the goal of “two increases, one control and three improvements (两增一控三提高)” proposed by SASAC in the process of high-quality development? What are the specific measures?
2. Is there any guidance for the Company on its profitability level and earnings growth of various projects? What are the targets for gross profit margin improvement for each of the “two macros and two priorities” development projects as mentioned by the Company, such as urban construction, road and bridge construction, etc.?
3. What is the return on assets of CAMC-CCCC REITs programs?
4. How many reserve projects of the Company are eligible for REITs issuance? What is the expected scale and plan?
5. What were the domestic and overseas revenues in the first quarter of 2022?
6. What is the extent of impact of the pandemic on the Company's construction in progress? Can you assess the impact of the pandemic on the Company's revenue in the second quarter?
7. What is the Company's investment direction and investment field in 2022?
8. How is the Company's existing business in the field of offshore wind power? What is the next stage of your development plan?
9. What is the reorganization and listing progress of some of the proposed spin-off design subsidiaries of the Company?
