**CHINA COMMUNICATIONS CONSTRUCTION COMPANY LIMITED**

*(A joint stock limited company incorporated in the People's Republic of China with limited liability)*

**(Stock Code: 1800)**

## **ANNOUNCEMENT IN RELATION TO KEY OPERATIONAL DATA IN THE FIRST QUARTER OF 2017**

This announcement is made by China Communications Construction Company Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Hong Kong Laws) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The principal operating status of the Group for the first quarter of 2017 is set out as below, for the purpose of reference for the investors.

### **I. Principal operating status**

In January to March 2017, the value of new contracts of the Group amounted to RMB151,307 million, representing a year-on-year increase of 40.25%. Wherein, the value of contracts of infrastructure construction business, infrastructure design business, dredging business, heavy machinery manufacturing business and other businesses amounted to RMB124,603 million, RMB7,142 million, RMB15,926 million, RMB2,656 million and RMB980 million, respectively.

The value of new contracts of all businesses from overseas markets amounted to RMB32,128 million (equivalent to approximately USD4,838 million), representing approximately 21.23% of the Group’s new contracts value.

The value of new contracts of all businesses from investment projects amounted to RMB21,602 million, (among which, the contract value of share-participation projects on a shareholding pro-rata basis amounted to RMB30 million), accounting for approximately 14.28% of the value of new contracts of the Group. Wherein, the value of contracts of infrastructure construction business and dredging business was RMB16,752 million and RMB4,850 million, respectively. During the process of designing and implementing the foregoing investment projects, the value of construction and installation contracts to be undertaken by the Group is estimated to be RMB16,508 million.
