

### Major questions from investors (Jun, 2018)

1. Does the new government of Malaysia taking office have any impact on the East Coast Railway Link project of CCCC? How is the ECRL project going?
2. Private enterprises have encountered difficulties in PPP project financing, does this show up in CCCC? How is the cost level of PPP project financing in CCCC?
3. The development of the domestic infrastructure construction industry has slowed down, does CCCC feel some pressure?
4. Does any PPP project of CCCC have been cleaned up out of the PPP project database established by the Ministry of Finance and National Development and Reform Commission? How is the future development of PPP projects? And how to solve the financing problems of these projects?
5. What's the opportunity of the overseas market? What's the geographic distribution of overseas projects?
6. How about the development of the domestic infrastructure construction industry?
7. Does the company have any specific measures for corporate deleveraging and trimming the debt?
8. How about the development of the company in 2018 and 2019?

### Communication Statistics
