

## Major questions from Investors (February, 2022)

1. Under the central government's economic policy of "maintaining stable growth", which business areas will you focus on in 2022?
2. How does the policy affect you from the perspectives of order and revenue? Which business segments do you think will develop at a faster pace?
3. How is the development of overseas operations? Are there any new financial sources and business models?
4. Does the gearing ratio maintain at the current level? What measures will be adopted to lower the on-balance sheet gearing ratio in 2022?
5. How's it going with the REITs pilot programmes being applied currently?
6. What's the scale of projects in hand that meet the conditions for issuing REITs? What's the plan for promoting the issuance in the future?
7. What are the advantages in terms of offshore wind power construction technologies? What's the development outlook of this segment in the future?
